

Team 10 Meeting Agenda - MICB 475

1. Journal Club

- Grouping of PMS/RRMS/SPMS/ PPMS
 - Some literature stated that they are all considered PMS
 - The paper that we took data from categorised this differently
 - Our paper stated only SPMS and PPMS are grouped as PMS
 - Should be okay?

2. Project proposal progress update

- Manifest file
- Dataframe is being processed on QIIME2
 - Elijah currently training classifier
 - Should be able to export to R within the next day
- Wrote background/hypothesis
- Research objectives written
- Gantt chart made for project timeline
- Should be good to submit when Caro leaves

3. Questions or clarifications from any group members?
