

October 29th, 2024 Team 10 Meeting Agenda - Welcome back Chris!

1. Review proposal feedback

- How did we do? Any areas where we exceeded or could improve? Any urgent changes to be made to any methods/aims?
- Plan for revision and resubmission based on feedback

2. Present Figures

- Preliminary findings/trends
- Which diversity metrics should we narrow down to?
- Plans for moving forward
 - Continue with the aims we are working on? Is it best to start on writeups for each section after all analyses are done? We are here↓

- Edit gantt chart to reflect how we are currently working through the aims
